A two-day conference for **140 people**.

Plenary plus three breakout rooms, full catering, and accommodation for interstate delegates. Dates locked. Budget tight.

— THE CHALLENGE

Eight weeks out, and **nothing held.**

The original venue fell through. Peak season. Every day of delay meant fewer rooms and higher rates.

— WHAT WE DID

1

Briefed once, not ten times

One call captured the full requirement. No re-explaining to five sales teams.

2

Shortlisted in 48 hours

Three venues that genuinely fit, compared like-for-like on what matters.

3

Negotiated the whole deal

Room hire, catering minimums and delegate rooms, settled in one go.

— THE RESULT

48 hrs From brief to a considered shortlist

18% Under the original budget

140 Delegates, rooms and all, sorted

**They held the room I needed before
I'd even finished explaining the brief.
One call and it was handled.**
